

Global Flood Partnership Virtual Conference

November 2020

The Global Flood Partnership (GFP) is organizing four webinars as a replacement for the GFP Annual Conference. These 2-hour long webinars are provided at no cost and take place November 4th, 11th, 18th, and 25th at 3pm (UTC + 1 hour).

The four sessions are:

Global flood monitoring (EO) - Nov 4th

Global flood forecasting - Nov 11th

Global flood hazard and risk modeling - Nov 18th

Flood resilience - Nov 25th
